## Würth North Xmas Party 2011

Dear Cathy,

I would like to say thank you to you and Amazing Fun Parties for our great Xmas Party at our head office. We had a fantastic day and I have received lots of emails saying what a great time they had.

I thank you for your professionalism, attention to detail, helpfulness and all round great service. You have been a pleasure to work with, as well as your staff on the day. They were all well mannered, well dressed and very encouraging for all the rides.

I look forward to arranging more parties with you and your company in the future,

Yours sincerely,

Leanne Mayne
